APPENDIX II.

(Vide Answer to Question No. 468.)

Order in M. P. No. 139/04, dated 8th Makaram 1105.

Report of the Magistrate received on 4th Kumbham 1104. Then a fresh petition was put in by the petitioners in this court complaining about the report. That petition was enquired into along with other petitions, M. P. Nos. 1211, 1231 and 1235 put in against the first counter-petitioner and others. These petitioners were clubbed together to-day. When these cases were called in for hearing today, the petitioners and the counter-petitioners were present. The petitioners submitted that, if the counter-petitioners were to put in a statement undertaking not to give trouble to them or other residents of the locality in future, they do not want to prosecute these petitions and that their petitions may be allowed to be withdrawn. Accordingly the counter-petitioners put in a statement undertaking not to create trouble in future. Therefore these petitions are recorded. I have also advised the counter-petitioners not to create trouble in future.

APPENDIX III.

(Vide Answer to Question No. 484.)

Letter dated 25th Dhanu 1106, C. No. 261/1106, to the Sub-Inspector of Police, Kunnamkulam, from the Headmaster, H. S., Kunnamkulam

I have the honour to report that some of the outsiders of the place have opened a badminton court in the school junior foot-ball ground by the side of the Registry Office without any permission.

LIBRARY ARCHIVES Kerala Legislative Assembly

In this connection I have to state that one C. V. K. Tharu, an ex-student of the school came to me yesterday at about 10 a. m. and asked me if I had any objection to their opening such a court, pointing out that it will not affect in any way the juniors playing football. I told him that I was not competent to give such a permission and asked him to apply to the Director of Public Iustruction and if a reference is made to me, I shall be giving my remarks pointing out my objections.

In spite of this, I found out him with two others this morning opening the court, when I once again went and told him that he should not do so. Though he went away then, I found in the evening on coming from the Conference at the Girls' High School, that a court had already been opened and some of the outsiders were playing.

I request that necessary action may be taken in the matter.
